VIII. TRAINING

Joanne Summers

We are on track now to do a better job of informing training cancelation. David is burning a disc for me containing the membership's E-mails. Between David, Debbie, Clydette and me, we should be able to let you know by 4:00.

There has been a change in the schedule regarding public classes. Jackie Woehrle, one of our Head Instructors, broke her leg. We wish her a speedy recovery and I mean a very SPEEDY recovery. When you are as active a person as Jackie, sitting and watching your bones heal is not easy.

The new schedule is:

BEGINNER CLASSES

Tuesday July 12 – 6:30 to 7:30 PM – Macungie – outside - 8 weeks

Tuesday July 19 – 7:15 to 8:15 PM – Franko Farms – outside – 8 weeks

Monday July 25 – 10:30 to 11:30 AM – Macungie – outside – 8 weeks

PUPPY KINDERGARTEN

Monday June 6 – 6:15 to 7:00 PM – Macungie – outside – 8 weeks

Tuesday July 19 – 6:15 to 7:00 PM – Franko Farms – outside – 8 weeks

Monday July 25 – 9:30 to 10:15 AM – Macungie – outside – 8 weeks

Some of these classes are the same as the original list.

Despite the rain, our Instructors have become very inventive in managing to stay on schedule.

The Supervised Rally and Open and Utility Practice will continue. Run Thrus for all levels will be the first Wednesday of each month. Unfortunately, last month's was canceled because of the rain. Let's hope June is better.

Open and Utility starts a new set of classes the beginning of June. You can either fill out one of the envelopes Phyllis, Anna and I have or contact Phyllis at 1-908-453-2511 or phyllisbrod@comcast.net. They are great classes.

Continue to monitor the Wednesday Night Class Schedule notifications as daylight last longer. Changes in the class starting times will occur. You will receive an E-mail and we will put it on our Web page.

IX. MATCH SHOW

Save the date: 9/11/16

X. POINT SHOW – May 21st 2016

Set-up will be Saturday morning at 7:15. There are about 10 more entries than last year.

The information on the website calendar is incorrectly listing the show on Sunday

XI AWARDS BANQUET

April 15th (Friday) All went very well. We plan to use the same site next year.

XII PUBLICITY

Sara Schrum & Dusty Springer –

ADTC Book marks are being distributed by the Lower Macungie and the Emmaus Public libraries. Also, youth, puppy kindergarten, and beginner obedience classes scheduled for June and July have been submitted to the WFMZ and WDIY on-line calendars. As far as future events, the Halloween Parade looks like a go – we have enough people to enter, but we would like to get as many paraders as possible. If you would like to participant – you know your dog would – the parade is the fourth Saturday in October, and Dusty will be happy to add your name to the list. On the Iron Pigs front, we are several people short of an outing. Please speak up if you would like to watch, eat, and cheer with other club members.

XIII OLD BUSINESS

XVI NEW BUSINESS

- a. **Pocono Obedience Show** – stewards are needed Thurs/Fri. September 15th and 16th.

EMMETT OF STONEY HOLLOW UD VER GN RE CGC

Emmett of Stoney Hollow UD VER GN RE CGC passed away May 4 and we are devastated. Two years ago he lost his right leg due to osteosarcoma. He was immediately retired from AKC obedience competition. We had been working on his UDX (utility dog excellent title) and his Obedience master title. He also had accumulated 12 OTCH points. But most important he beat osteosarcoma living far beyond what was the projected life span was even after amputation and chemo. He was cancer free two years up until this month. He beat osteosarcoma but sadly another cancer involving his red blood cells quickly took his life at the age of 11 1/2 years. He took us on a journey I could have never imagined 11 years ago when he was my foster dog who we decided to adopt. We did things and went places I never imagined we would do and go including last year when we drove to Purina Farms in Missouri to accept his award for being named one of the AKC 2014 TOP 25 OBEDIENCE LABRADORS IN THE COUNTRY. He touched so many lives with his bravery, talent, honesty, willingness and love. I am just finding out now he was admired although I knew all along what kind of boy he was.

This was a dog on death row scheduled to be killed in a Tennessee shelter when a Labs4Rescue volunteer rescued him. I often wish I could meet his former people who ever they are and tell them what they threw away. He is now running free and healthy over the Bridge with his sisters and brother, cousins and all his other friends who have gone on before him.. Run Free Dear Emmie, Run Free.

Thanks so much for taking the time to read about this dear boy.

And I would like to thank everyone who took the time to send me emails and cards, hugs and tears and condolences on Emmett's death. You do not know how appreciated all this has been. It has been a tough time for Phil, Poppy and Abbey as well. We miss him terribly but time will heal and he will never be forgotten.
